

**A starting point for the current curfew in Saxony is 23.3.2020 from 00 o'clock. The curfew is valid for 14 days for the time being.**

**When am I still allowed to leave the house?**

1. if I am in danger of my life or have to protect my property
2. to drive/go to work
3. to take my child into care.
4. to help other people with shopping etc. (also on a voluntary basis)
5. if I am a supplier or postman
6. if I work for the fire brigade, rescue service or civil protection.
7. when I have to go to the doctor or veterinarian.
8. if I am a psychotherapist, physiotherapist or occupational therapist and need to visit patients in a nursing home urgently.
9. to go shopping in shops that are still open (supermarket, beverage market, pharmacy, drugstore, pet store, medical supply store, optician, ATM, post office, petrol station, car and bicycle repair shop, dry cleaner, launderette, newspaper shop).
10. when I have a very important appointment with an authority, court, bailiff, lawyer or notary
11. when I want to visit my husband/wife or partner.
12. when I want to help a sick or disabled person.
13. when I want to visit my child.
14. to go outside with my child or a handicapped person.
15. if someone is going to die soon or I am going to a funeral (group size max. 15 people).
16. to do sports outside. But only alone or with your partner or flatmate. Not more than 2 people together.
17. To go out with my dog.
